the Democratic party.

half the cotton that the world consumes, and manufacture but little of

With the rest of our Republic offer- the insults heaped on him by ignoble ing tempting inducements, large or natures with a noble heroism the capitalists are not likely to settle and quiet dignity that stung even Chalahoma vs. Holly Springs How Chalalists" or "robbers," and where their despots into a sense of shame Representative or Senator will act and The only appeal that revervote as if they were. There are men berated in the walls of his in the South, as well as in France, who dangeon and echoed through will neither learn nor forget, but the

attainment of partisan ends? Why Confederacy, be easily attainable.

We place before our readers the admirable message of Governor Alcorn, and resolutions of the Legislature of Connected which is with the land of his will be still disposed to trade with wrongfully extorted, and for the secundishment of that object he recommends that an appeal be made to Congress. Governor Alcorn is the first of Southern Governors who has had the maillness and boldness to speak out on this subject. Every man, woman and child in the South is under a deep debt of obligations to him. However much we may differ from him on political issues, ate next winter. This question derves more than a passing notice. At a time when the people of these States were exhausted by the war-when taxes known to the laws of the land. Not only was such a tax unjust and tion makes all taxation direct or indirect. It prescribes that direct taxation shall be in proportion to the population or representation of the several States. It prescribes that indirect ington, invited to a seat in the capital tring efforts of Memphis merchants, of the nation, and marched into Congress in full uniform. We believed that an inspection of the acts of Congress levying the same will show that no attention whatever was paid to population, and that they are nullities on their face. If it be an indirect tax it must "be uniform throughout the United States." Can a tax be uniform throughout the United States." Can a tax be uniform throughout the United States when the plant that the result of the war did not "ac-

The Southern States grow more than loathesome of all plagues—Henry 8. loathesome of all plagues—Henry 8. It will be seen from the letter we gain mean ends by meaner arts. Even dates for President in Ohio, the Cin publish this morning that Foote age does not mitigate the ferocity of his cinnal! Commercial thinks that "Ohio's sive deposits of both they may be said comes forward with his old flintlock debased nature, nor the near approach of great men." neither to smelt the one nor to dig the other. The sensible men of the South other. The sensible men of the South are impatient to after this state of things; and in order to second their things; and the second their things; and the second their things the second the second their things; and the second their things the second their things the second their things the second the second the second their things the second their things the second their things the second the officies, and under the conviction that ty which shows that age can deprive friendly grave, aspersing the Boutwell decided to retain the present the interests of the entire country are a bad man of his teeth and shear him memory of the dead and calum. Collector, Judge Miller. involved, we offer a few suggestions.

The South must know the nature and the value of her resources. There and the value of her resources, there and malignancy. None but a renewas abundance of gold in California, and malignancy. None but a renewas abundance of gold in California, but during centuries neither the Indians nor the Mexicans knew the treasure they possessed. Pains should now be taken to collect information respecting the industrial resources of each State, and give it the widest possessely. But the collect information and truer than himself—an Arnold spectrage to the control of the contro der of the cause he sold, could have strikes at the virtues which are necessary two-thirds required to sub-Law should enable manufacturers benned such a letter as will abominable in his sight, and still dismit it to the people, to acquire needful privileges without expense or difficulty, and generous encouragement in various forms about be given to all new enter-points. Taxistion should be adjusted to the signature of this said, ignominy. But the venom of his says that it is necessary now, more than the signature of t primes. Taxistion should be adjusted has no fury like a woman scorned, sting is not equal to his intent. With than ever, to unfur! "the spotless bantions ought to be frequently held, and it seems from this scandalous letpride manifested in local productions. ter that humanity has no hatred so that Jefferson Davis will leave behind one than the combined with All this must be combined with bitter, so reckless, so unrelenting, as him "the ineffaceable brand of deanalyse security for life and property, that the traitor feels toward the cause served intamy." But if he can "Four yards of platform is too much an a friendly sentiment toward evory new comer, whatever may be his he has betrayed and those who reluse manage to wheeze out a few more to stand on. Boil it down, make I State or his political principles. Many to dishonor it. The name and fame years to the discomfort of mankind four inches, and then we are for it." will meet these suggestions with that of Jefferson Davis cannot be damaged and the envy of the devil, he will standing excuse for Southern inertia, by one that he has placerded as a learn that the fame of Mr. Davis the want of capital. But never was the want of capital. But never was "constitutional flar." For three long will be perpetuated in song and story, than at present. Capital is abundant, years Mr. Davis bore with unflinch- while "the maw of the carrion crow and it will go where the greatest ing, yet unostentations fortifude the will be the natural place of sepulture reall's are combined with the great-rigors of a confinement unnecessarily for Henry S. Foote, end security as iniallibly as water will grow down hill.

THE RAILROAD WAR.

of the Two Routes.

Marshall, it is well known, is one of will neither learn nor forget, but the common sense of the Southern people must assert itself and insure the maintenance of a policy which is of vital do nothing to degrade and humiliate denance of a policy which is of vital do nothing to degrade and humiliate handling of its crop and to furnish its Importance to the progress and pros-the people whose cause I represent-supplies. We contend that if the Memphis and Selma road takes this ed. He grandly submitted to the Chulchoma route, that the business This is very well; but if the Tribune would promote the prosperity of the South subverbould it ment of the soldier, great as a statement great grea South, why should it sacrifies the material prosperity of the South to the Containers, but greater for as the Holly Springs has had almost direct. the Ku Klux act? Why should Gree- prisoner of Fortress Monroe, he will phis, via the Mississippl Central and ley assert, as he did in this city, that if this law had not been enacted, more great men, shed luster upon a gallant ular feeder of New York and New than half the negroes in the South would have been slaughtered? There is not unlide negro in the country who can be induced to labor for money. who can be induced to labor for money, like a dirty and malarious sedimento meet the same amount of expense and interest guards well the rights and persons of freedmen. If Greeley, the head and front and impersonation.

Arabs, while nillaging, could do not be interested as a same prices; the head and front and impersonation Arabs, while pillaging, could do no their freights from New York are no of hostility to the South, would not detriment to the historic pyramids, greater; consequently they are ena sacrifice our prosperity to that of his and much less damage can the marauparty, the ends contemplated would ding Foote do to the fame of the piled the tariff on to this people pretty great man who was true to heavy, yet if the road comes throug his cause and the behests of the peo-ple. It is useless for us to defend Mr. Memphis figures, freight added.

and resolutions of the Legislature of Mississippi on the subject of the cotton tax. Governor Alcorn pronounces the tax unequal—unjust, and says the history of the South; sharing her tax unequal—unjust, and says the history of the South; sharing her tax unequal—unjust, and says the history of the South; sharing her tax unequal—unjust, and says the history of the South; sharing her tax unequal—unjust, and says the history of the South; sharing her mittes fostered between our country. boldly that it originated in the bad dewnfall so grandly, and representing town and ourselves, yet, should the town and the so the so the so the so that the town and the so that the town and the sould be town and the of the war. That now, as such asperlikes have had time to subside, a sense of justice should prompt those who passed these acts to refund the money parsed these acts to refund the money and grateful people. Springs we ourselves against Holly Springs we differ from him on political issues, every candid man must admit, that he as Governor, acted well and wisely, and that he is the right man in the right place. We are glad to learn that he will take his place in the Sential next winter. This question defense of Jefferson Davis were the suggestions of our own heart for westill believed that the pride and chivalry of the South had not passed away, and we half and the south had not passed away, and we half and the south had not passed away, and we half and the south had not passed away, and we half and the south had not passed away, and we half and the south had not passed away, and we half and the south had not passed away, and we half and the south had not passed away, and we have the south had not passed away, and we have the south had not passed away and we have the south had not passed away. they were denied representation in believed that Mr. Davis' example, his pay in cotton and ships it to the believed that Mr. Davis' example, his pay in cotton and ships it to the point at which he buys his goods, You may perhaps think, each one Congress—the Congress of the United States levied a special tax on cotton, whilst the other products of the country, worth ten fold more, were untaxed. The people of the South were words to next this special tax and at the soul of all who proposed it.

made to pay this special tax and at History had taught us that generation man layored with their patronage. means their due share of all other transmits to generation the holy pas- do not assert it as fact, but have unsion of truth. United States when the plant or staple upon which it was levied, only grew in eleven of the thirty-seven States? Again, the Constitution prescribes that "no tax or duty shall be levied on articles exported from any State." Is not cotton an article of export." By inspectton an article of export? By inspecting the reports emanating from the treasurer and other officials of the government, it will be seen that cotton from the beginning of this centumber of the control o ton from the beginning of this century was classed as an "article of export," and that from 1836 to 1870—a
period of fifty years, it constituted
more than half of all domestic exports from the United States. These
were the points presented in the great
cotton tax suit, Farrington vs. Saunders, recently before the Supreme
Court of the United States. It is diffiton to find the first and unrelenting, the Irish still
up, which will prove a formidable
rival to your interests, and which will
divert all this trade from you, and
